

Disaster Recovery Funding Arrangements

Training with a difference

This 6 hour Disaster Recovery Funding Arrangements (DRFA) training course is delivered by a team of specialists with over 30 years practical experience with emergency management.

They received a Resilient Australia Award for their innovative recovery strategy, an LGPro Excellence Award for their multi-agency field exercises and an "Excellence in Emergency Communications" Award from EMPA post the South West Fires.

They have comprehensive first hand experience on the front line and have led teams through a variety of major emergencies. Their knowledge and experience is comprehensively unique where they pride themselves on having successfully performed all the roles they teach.

Course overview:

- DRFA Arrangements
- DRFA Standard Assistance Measures (Category A & Category B) & eligibility
- DRFA Activation and what's required
- Systems to implement before, during and after a disaster to ensure high-cost recovery.
- Claiming timeframes
- Lodgement of claims process and how to prepare
- Acquittal process
- Photographic evidence standards
- Invoice Standards
- Treatment packages and what's required for compliance.

Maximise your organisations DRFA reimbursement by participating in this training course.

By attending this training students will:

- Understand the DRFA arrangements
- Know what the standard assistance measures are for Category A and Category B claims
- Be confident to activate the DRFA following a disaster
- Learn systems to implement before, during and after a disaster to ensure a high-cost recovery.
- Gain an understanding of how to prepare and submit a compliant claim
- Understand the importance of evidence collection and submission
- Participate in practical exercises to demonstrate newly learnt skills

Who should enrol in this course?

- Asset Managers
- Finance Managers
- Emergency Management Team
- MEMO's & MRM's
- Infrastructure Managers
